CURRICULUM VITAE

PERSONAL DATA:
    name: Antal Balog
    born: November 12, 1956, Budapest, Hungary
    home: Vörösmarty 35, 2083 Solymár, Hungary
             phone: (36-26) 362-550
    office: Alfréd Rényi Institute of Mathematics,
             Hungarian Academy of Sciences
             Reáltanoda utca 13-15, 1053 Budapest, Hungary
             mailing address: POBox 127, 1364 Budapest, Hungary
             phone: (36-1) 483-8300, 483-8328
             fax: (36-1) 483-8377
             e-mail: balog@renyi.hu
    family: married since 1979,
             wife: Dr. Anna Lakatos, medical doctor
             children: Marton, (born: 1979), Julia, (born:1982)

EDUCATION, DEGREES and MATHEMATICAL AWARDS:
    1976-81 Eotvos Lorand University of Sciences,
             Budapest, Hungary
    1981   M. Sc. degree in mathematics
    1991   Ph. D. degree in mathematics
             title of thesis: Three problems of the distribution of primes
    1991   Alfréd Rényi Award
    1992   Mathematical Award of the Hungarian Academy
    1994   Distinguished Award of the Hardy–Ramanujan Society
    1995   Academic Award of the Hungarian Academy
    2000   Doctoral Degree of the Hungarian Academy
             title of thesis: Linear equations in number theory

POSITION HELD:
    Scientific Advisor, Alfréd Rényi Institute of Mathematics

LONG TERM VISITS:
    1982   Banach Center, Warsaw, Poland
    1986   University of Oxford, England
    1988-89 University of Georgia, Athens, USA
    1990-91 Institute for Advanced Study, Princeton, USA
    1995   University of Illinois, Urbana–Champaign, USA
    1996   University of Michigan, Ann Arbor, USA
    1999   Penn State University, State College, USA
    2001-02 University of Wisconsin, Madison, USA
    2006   CRM University of Montreal, Montreal, Canada

SHORT TERM VISITS:

1983	University of Genova, Italy
1985	University of Bordeaux I, France
1986	University of Toronto, Canada
1987	University of Paris-Sud, France
1988	Rutgers University, USA
1990	University of Toronto, Canada
1993	University of Genova, Italy
1994	University of Gottingen, Germany
1994	Rutgers University, USA
1994	University of Genova, Italy
1995	University of Genova, Italy
2008	Université Henri Poincaré, Nancy, France
2011	Université Henri Poincaré, Nancy, France
2012	MRI, Chennai, India
2014	CRM University of Montreal, Montreal, Canada

TEACHING EXPERIENCE:

1988–89	visiting professor at University of Georgia, Athens, USA
1993–present	part time professor at the program "Budapest Semesters in Mathematics"
1995	visiting professor at University of Illinois, Urbana, USA
1999	visiting professor at Penn State University, State College, USA
2001–02	visiting professor at University of Wisconsin Madison, USA
