PARTICIPATION IN CONFERENCES

Szingularitáselmélet konferenciákon vettem részt a következő helyeken:

* Małe Ciche 2015 augusztus
* Marseille (Luminy) 2015 március
* Madrid (Milaflores de la Sierra) 2013 szeptember
* Liverpool 2012 június
* Varsó 2012 június
* Mainz 2011 szeptember

PROFESSIONAL PRESENTATIONS

* Konferencja Małe Ciche Niskowymiarowe (August 2015)
* MTA Alfred Rényi Institute of Mathematics: Young Investigator Session (2014, 2013)
* ELTE Seminar of Analysis Department (I gave presentations several times)
* Budapest Business School College of Finance and Accountancy Seminar of Geometric Department (I gave presentations several times)

EDUCATION

EÖTVÖS LÓRÁND UNIVERSITY FACULTY OF SCIENCE, PHD IN MATHEMATICS / 2010-2013
Theme: Topology of complex singularities
Consultant: András Némethi, MTA Alfred Renyi Institute of Mathematics

EÖTVÖS LÓRÁND UNIVERSITY FACULTY OF SCIENCE, MATHEMATICS (undivided education) / 2005-2010
Excellent degree

EÖTVÖS LÓRÁND UNIVERSITY BOLYAI COLLEGE / 2005-2012
College membership

JÁNOS BOLYAI HIGH SCHOOL / 1999-2005
Salgótarján

WORK EXPERIENCES

MTA ALFRÉD RÉNYI INSTITUTE OF MATHEMATICS / 2015-
Young Investigator Scholarship

MTA ALFRÉD RÉNYI INSTITIUTE OF MATHEMATICS / 2013-2015
ERC Scholarship

EÖTVÖS LÓRÁND UNIVERSITY FACULTY OF SCIENCE - CENTER OF METHODOLOGY OF TEACHING MATHEMATICS / 2015
Propogative Mathematics optional course

UNIVERSITY OF TECHNOLOGY AND ECONOMICS / 2012-
Teaching as a lecturer in Analysis and Geometry Department

BUDAPEST BUSINESS SCHOOL COLLEGE OF FINANCE AND ACCOUNTANCY / 2010-2013
Teaching as a lecturer: practical courses about economic mathematics

PUBLICATIONS

András Némethi and Gergő Pintér: Immersions associated with holomorphic germs
A Commentarii Mathematici Helvetici megjelenésre elfogadta.

OTHER PROFESIONAL ACTIVITY:

In MATHEMORPHOSIS mathematical propagative series created by me I have been giving presentations in different places of amusement and cultural communities, for example Valley of Arts Festival since 2011. The series flared with a biologist and a physicist. It has been an optional course since the autumn of 2015 in Eötvös Lóránd University.
