Postdoctoral position at the Rényi Institute

A two-year postdoctoral research fellowship in mathematics has opened for application at the Alfréd Rényi Institute of Mathematics (Budapest), starting in September 2018, in the field of

Automorphic Forms and related areas,

preferably with a connection to analytic number theory. The position comes with no teaching duties; in particular, candidates are not required to speak Hungarian. The salary is 24,000 euros per year, supplemented by a travel grant of 1,500 euros per year. The project is financed by the Hungarian Academy of Sciences through the Lendület Grant "Spectral methods on arithmetic manifolds".

Applications will be reviewed beginning April 15, 2018; if not filled, every day thereafter until the search is closed.

Please send applications by e-mail to **gharcos@renyi.hu**

The application should contain:

- a CV

- a list of publications

- a short (2–3 pages) summary of past research

- a short (2–3 pages) research statement

- two letters of recommendation directly sent to gharcos@renyi.hu
